## Reduced-fee registration for the 2023 EUVAS Vasculitis Training Course St. Gallen / Switzerland, 28–30 September 2023

The European Vasculitis Society (EUVAS) offers 20 (twenty) reduced-fee registrations (RFR) for the 2023 EUVAS Vasculitis Training Course at a discounted rate of 250 CHF. RFR provides the same benefits as full-rate registration: access to the course, meals, the conference dinner, and 2 nights of accommodation (in a hotel arranged by the event organizing company).

There are no specific qualification requirements to apply for RFR. The 20 spots will be awarded based on a combination of criteria that include the applicants' career prospects. Some preference will also be given to applicants from less affluent countries and to those who want to attend the course for the first time. All applications will be assessed by at least 3 members of the EUVAS presidential council or the EUVAS education committee.
